Details on Manga Comments Feed

Every number (indicated in parentheses down below) of comments made by different commentators about a milestone in **MOON BUNNY CAFE** project page will unlock a chapter release within the week. If this milestone is met by multiple users, we are allowed a period of 1 week between each event release if something else happens to us. Project pages are where the chapters are listed on **MOON BUNNY CAFE**. Milestone numbers can be changed whenever we want and will be noted in the second number of the current status. Once a milestone is met, it will refresh back to zero once it's reset. There's your chance to get a release of your favorite series!
